

# Truck Drivin' Man

Parry Gripp

Early in the morning I'm out on the job  
I've got a lot of work to do and I'll do it all, by God  
Got mud on my wranglers and callous on my hand  
Lord, I'm a truck drivin' man  
Truck drivin' man  
Truck drivin' man  
You know I need a truck that works as hard as I can  
Truck drivin' man  
Truck drivin' man  
Lord, I'm a truck drivin' man
