

# We're Gonna Kick Your Ass Today

Parry Gripp

We're gonna kick your ass today  
We're gonna kick your ass  
We're gonna make you wish that you'd never stepped on that grass  
We're gonna win, just wait and see  
You're gonna cry like a big baby  
We're gonna kick your ass today  
We're gonna kick your ass  
Your big fat losing ass!
