

You're A Turkey

Parry Gripp

You're a turkey
And I'm in love with you
Gobble, gobble
That's the thing that you do
You're a turkey
You can't even fly
You're a turkey
Why would you even try?

You're a turkey
And I'm in love with you
Gobble, gobble
That's the thing that you do
You're a turkey
You can't even fly
You're a turkey
Why would you even try?

Draw a line
Around your hand
Add some feathers
A beak and an eye
Take a good look
There you are
All right!

You're a turkey and I'm in love with you
You're a turkey and I'm in love with you
You're a turkey and I'm in love with you
You're a turkey and I'm in love with you
