She's a young girl
Talking about herself (You can't stop her)
She's a young girl
Talking about herself (She keeps on talkin')

She's gonna break your heart And tell the world about it She's gonna break your heart

He was like, she was all, he was all, they were like They were all like, oh my God, like totally We were like, I was all, they were all, he was like She was like all totally like, oh my God

He was like, she was all, he was all, they were like They were all like, oh my God, like totally We were like, I was all, they were all, he was like She was like all totally like, oh my God

He was like, she was all, he was all, they were like (Young gir l talking about herself)

They were all like, oh my God, like totally We were like, I was all, they were all, he was like She was like all totally like, oh my God

Young girl (She's a young girl)
Talking about herself (Talking about herself)
