

Ballin'

PARTYNEXTDOOR

I'm out of your league, baby
I'm out of your league, baby
Baby cause I'm ballin'
For a minute

I just finished on you
I just finished on you
I just did it on you

Girl I'm out here
Getting to the money
Blowin' these hundreds
Blowin' these hundreds
Girl I'm out here
Girl I'm out here
Girl I'm out here
Girl I'm out here

Ballin' on you (ballin' ballin' ballin')
I'm Ballin' (ballin' ballin' ballin')

I'm out of your league, women
Bitches I've seen, wavy
Wavy, since I'm ballin'
For a minute

That's my baby
Better get you wet now
Better make you sweat now
Better get you wet now
Better make you sweat now
That's my baby
Better get you wet now
Better make you sweat now
That's my baby
Better get you wet now
Better make you sweat now
