

Freak In You

PARTYNEXTDOOR

Room full of beautiful women but I'm on the line
Room full of women and they notice me
Now all they wanna listen to is Jodeci
Freak in you
Freak in you
Is there a freak in you?

Come and talk to me
Quick, rush, rush, rush
Baby just like Kimora Lee
So pretty, girl you belong in a gallery
What's your fantasy?
Say something you ain't never did
That fuckin' suck a real nigga

I flick my wrist like I'm official
Diamonds on my chest like a bishop
And these lines right here ain't no kicker
These lines right here gon' really really make you fuck
These lines really gon' make you numb like [?]
This time is your time
I need to know if you're down
'Cause if not, I know there's more around

There's always more, that's for sure
There's always more, that's for sure

Because there's a room full of beautiful women but I'm on the line
Room full of women and they notice me
Now all they wanna listen to is Jodeci
Freak in you
Freak in you
Is there a freak in you?

Come and talk to me, oh
I, I don't like the shy game
I don't like no mind games
'Cause by the time you make your mind up
Time's up
Hey, hey, you gon' have to climb me, climb me
If you want it
Burnin' rubber (skrr)
Burnin' through these rubbers is exhausting
Drop, drop, hot
Baby girl, it's Crossfit
I'm gon' grab you by the hips

I'm flickin' my wrist like I'm official
Diamonds on my chest like a bishop
And these lines right here ain't no kicker
These lines right here gon' really really make you fuck
These lines really gon' make you numb like [?]
This time is your time
I need to know if you're down
'Cause if not, I know there's more around

Ain't no peer pressure

Girl, it's what you wanna do
So what kind of mood you in?
You know what I wanna do
You see what I see

There's a room full of beautiful women but I'm on the line
Room full of women and they notice me
Now all they wanna listen to is Jodeci
Freak in you
Freak in you
Is there a freak in you?

Ma-, Magic City bump

[?]

I seen your old niggas lookin' like some old niggas
I'm in the 'sace mansion in some Gucci Ghost slippers
I got my [?] and she a gold digger
That spandex might triple my antics
Might take off the bandage, might fuck like a savage
[?]
Mhmm

There's a room full of beautiful women but I'm on the line
Room full of women and they notice me
Now all they wanna listen to is Jodeci
Freak in you
Freak in you
Is there a freak in you?
