

# Her Way

PARTYNEXTDOOR

Yea I see her, PX

Swear I'm gone, gettin' gone with my niggas  
We hit the club, niggas cups full of jealous  
We in the back and we muggin' to T.I. (you know it)  
And I'm with a bad bitch and I got an idea (oh yeah)

(I'll still say) This bitch looks like Lindsay Lohan  
She gets down just like Lindsay Lohan  
Round the block, she's not showin' nothin'  
That bitch bad, watch her blow a whole band

She gets her way (way, way, way)  
It's like every time  
Like any time of day  
In every single way  
Girl when she gets her way (way, way, way)  
That's just how she ball  
That's just how she hustles  
I don't know how she does it  
She gets her way, way

Shawty said she wanna roll with the Sauga City come up  
She wasn't on a roll, now she roll with a winner (rollin' marijuana)  
See them dark-skin girls in them light-skin crews  
Yah, we see you  
But she the light-skin girl in a light-skin crew  
She don't know what to do

She gets her way (way, way, way)  
It's like every time  
Like any time of day  
In every single way  
Girl when she gets her way (way, way, way)  
That's just how she ball  
That's just how she hustles  
I don't know how she does it  
She gets her way, way

She just turned twenty-five  
But she wanna roll with young niggas like  
Roll with the clique, ohh, roll with the clique  
Now she say  
Gone, gettin' gone with them niggas  
Swear I just saw her say  
We in the back and we muggin' to T.I  
Swear I just saw her say  
Gone, gettin' gone with them niggas  
If this what she want to be  
Then she can have her way  
Oh no no no  
Yeah yeah  
No baby  
You could have your way  
No no

She gets her way (way, way, way)

It's like every time  
Like any time of day  
In every single way  
Girl when she gets her way (way, way, way)  
That's just how she ball  
That's just how she hustles  
I don't know how she does it  
She gets her way, way
