

# Joy

PARTYNEXTDOOR

I love you, mhm  
Easier to say than mean it these days  
I wanna feel joy  
Joy, for the noise  
Mhm baby, I'm letting down my hair, up in my car,  
when will we that say we've taken it too far?  
Baby you're still a joy, that I've taken too much of

Let me be it, mhm  
Let me see it, mhm  
Let me fuck my joy, joy, joy, joy, joy, joy  
I wanna sing joy baby, I wanna sing joy  
I wanna feel joy, I wanna feel joy  
Joy (Feel joy)  
Let me find my joy

I wanna feel joy, oh, for the noise baby  
Taking it too far  
Let me see, let me find  
Joy, joy, joy, (Let me feel joy)  
Joy (I wanna feel joy)  
I wanna feel joy
