

## Temptations

PARTYNEXTDOOR

Okay, but, uh, are you sure I'm an example  
I just want to be alone with you  
Is that fine?

Sexual healing  
Oh what a feeling  
Oh, oh, oh  
Young and impatient for sweet sensations, yeah, yeah, yeah  
Hey (you know baby, yeah you know)  
I'm still up to something criminal  
Stealing your piece of mind  
Girl let me know

It's always something physical  
I was seeing just one more time  
I know you know it's mine  
Oh yeah baby

But where were you when I need you, when I need you  
When can I find you when I'm too low?  
I can't let go  
Girl, confess that you were lost (confess that you were lost)  
You're looking to be found (you're looking to be found)  
You're searching to be seen (just searched to be seen)  
You're anxious to believe (you're anxious to believe)  
My love is natural (my love is natural)  
It'll find you wherever you are (it'll find you wherever you are)  
You're still number one to me (you're still number one to me)  
Confess that you were lost
