

# So Many Men

Pascal Obispo

I feel like a bird today  
I'm gonna show you, I'm gonna make it  
Set me free

C'est un jour qui se lève sur si peu de liberté  
Damay daw wuti làqukaay wuti fa liberté  
Tant de gestes pareils, sans cesse recommencés  
Daw naa làqu ngir nekk man wuti fa liberté  
So many men  
Look this way  
So many people  
There's so much to do and so much to give today  
So many men  
Something new  
So many people  
There's so much to see if only they'd look this way

Garder les yeux ouverts sans voir de liberté  
Dawa dawa dawa dawa ba génn  
Wuutu leneen li gën ci man

N'en faire jamais assez  
Serait-ce trop pour essai,  
Juste un peu de liberté?

Jééma xam li wawral lii, fii daal lu ko fi jar,  
Ban couleur, ban génit la

So many men  
Look this way  
So many people  
There's so much to do and so much to give today

So many men  
Is Something new?  
So many people  
So much to see today  
so many men

Look this way  
I fell like a bird today  
There's so much to give and so much to do today  
I'm gonna show you, I'm gonna make it  
Set me free  
So many men  
Will it change?  
so many people  
Just open your eyes  
so many trials, so many  
Places  
Set me free  
I fell like a bird today  
I'm gonna show you, I'm gonna make it  
Set me free  
Just open your eyes, turn around, look this way.
