

Your lucky man you got away, you barely got away
I don't remember what I said, your lying through your teeth
You threw your phone agianst the wall, that's why I missed your
call

So how much did you spend?, enough to see the end

it's my guess I'll say yes, it's your turn so call it
How clear is your conscious? coming in a combat

Your lucky man you got away, you barely got away
Slept ouside in a vacant boat, no one has to know
Rolled downhill shirltess in the snow, found your glasses in th
e spring

So how much did you spend? enough to see the end

it's my guess I'll say yes, it's your turn so call it
How clear is your conscious? coming in a combat
