Passafire

Your lucky man you got away, you barely got away  
I don't remember what I said, your lying through your teeth  
You threw your phone agianst the wall, that's why I missed your  
call  
So how much did you spend?, enough to see the end

it's my guess I'll say yes, it's your turn so call it  
How clear is your conscious? coming in a combat

Your lucky man you got away, you barely got away  
Slept ouside in a vacant boat, no one has to know  
Rolled downhill shirltess in the snow, found your glasses in th  
e spring  
So how much did you spend? enough to see the end

it's my guess I'll say yes, it's your turn so call it  
How clear is your conscious? coming in a combat
