

Laquiji

Passafire

Back in the days of depression
Oh yeah Laquiji rock it was a blessing
Chillin' down underneath the overhang
Money lost in the backfire of the boomerang

Laquiji, Laquiji, Yeah
The meek shall inherit your love now
Laquiji, Laquiji, Yeah
Come on y'all

Back when my pops was a boy, ya know
Hangin' out up at Laquiji rock with friends for sure
Stolen goods stashed underneath the overhang
Money lost in the backfire of the boomerang

Laquiji, Laquiji, Yeah
The meek shall inherit your love now
Laquiji, Laquiji, Yeah
Come on y'all

You can use me for however you want
You could even write your name upon my back
I'm this natural wonder, yeah
Won't you come around and play for me
Just don't use me up I say

Laquiji, Laquiji, Yeah
The meek shall inherit your love now
Laquiji, Laquiji, Yeah
Come on y'all

Now back when I was just a boy, you know
Hangin' out up at Laquiji rock with pops for sure
Hangin' down there underneath the overhang
Money lost in the backfire of the boomerang

Laquiji, Laquiji, Yayee-yayee-yay
Laquiji, Laquiji, Yayee-yayee-yay
Laquiji, Laquiji, Yayee-yayee-yay
