

Lanterns

Passenger

Be a lantern burning
Never gonna go out
Oh, the winds are turning
Never gonna blow out
I've had a life of learning
I know people come and go
Be a lantern burning
Your fire burns low

Be my lighthouse shining
Out on the sea
Be my silver lining
Be my golden key
I've had a life of climbing
Don't let me fall from the trees
Be my lighthouse shining
When I'm out on the sea
