

## Lanterns

Passenger

Be a lantern burning  
Never gonna go out  
Oh, the winds are turning  
Never gonna blow out  
I've had a life of learning  
I know people come and go  
Be a lantern burning  
Your fire burns low

Be my lighthouse shining  
Out on the sea  
Be my silver lining  
Be my golden key  
I've had a life of climbing  
Don't let me fall from the trees  
Be my lighthouse shining  
When I'm out on the sea
