

Let Her Go

Passenger

Intro:

Well you only need the light when its burning low
Only miss the sun when its starts to snow
Only know you love her when you let her go
Only know you've been high when youre feeling low
Only hate the road when youre missin home
Only know you love her when youve let her go

And you let her go

1. Staring at the bottom of your glass
Hoping one day you will make a dream last
The dreams come slow and goes so fast
You see her when you close your eyes
Maybe one day you will understand why
Everything you touch all it dies

R: But you only need the light when its burning low
Only miss the sun when its starts to snow
Only know you love her when youve let her go
Only know youve been high when youre feeling low
Only hate the road when youre missin home
Only know you love her when youve let her go

2. Staring at the ceiling in the dark
Same ol empty feeling in your heart
Love comes slow and it goes so fast
Well you see her when you fall asleep
But to never to touch and never to keep
Because you loved her too much
And you dive too deep

R: +
And you let her go
Ooooo ooooo oooooo
And you let her go
Oooooooo ooooo oooooo
And you let her go

R: +
Cause you only need the light when its burning low
Only miss the sun when it starts to snow
Only know you love her when youve let her go
