

I'll Be Alright

Passion Pit

Can you remember ever having any fun
'cause when it's all said and done i always believed we were
But now I'm not so sure, oh oh oh oh oh oh
I drink a gin and take a couple of my pills
And my parade will give you chills
Oh honey don't give me up, oh oh oh oh
I know we've had enough

You should go if you want to
Yeah go if you want to
I'll be alright, be alright
Well I've made so many messes
And this love has grown so restless
Your whole life has been nothing but this
I won't let you go unless
I'll be alright
I'll be alright

I'm so self-loathing that it's hard for me to see
Reality from what I dream and no one believes me
No not a single thing
My brain is racing and I feel like I'll explode
You're looking at me from below
This room wasn't made for you
Just go find someone new

You should go if you want to
Yeah go if you want to
I'll be alright, be alright
Well I've made so many messes
And this love has grown so restless
Your whole life has been nothing but this
I won't let you go unless
I'll be alright
I'll be alright

Why do I keep housing all this suffering?
Heads go on now where's my thoughts are stumbling
This party's over, no, it isn't happening
No wind in the sails untill I'm only recovering

You should go if you want to
Yeah go if you want to
I'll be alright, be alright
Well I've made so many messes
And this love has grown so restless
Your whole life has been nothing but this
I won't let you go unless
I'll be alright
I'll be alright
