

Children of Light

Passion

It's a new day
Everything changed
When Your love came into the darkness
You sent the light of the Son
You sent the light of the Son

Wake up, open your eyes
No longer dead, we are alive
Rise up, children of light
Open the doors, go let it shine

There is freedom
In Your kingdom
For You Jesus, we will be dancing
Forever Your joy is our song
Forever Your joy is our song

Wake up, open your eyes
No longer dead, we are alive
Rise up, children of light
Open the doors, go let it shine

Song for the broken, let it shine
Into the shadows, let it shine
Hope for the whole world
Let it shine, let it shine

All over the place, come on, come on

Song for the broken, let it shine
Into the shadows, let it shine
Hope for the whole world
Let it shine, let it shine

Oh let it shine, here we go

Wake up, open your eyes
No longer dead, we are alive
Rise up, children of light
Open the doors, go let it shine

Wake up, open your eyes
No longer dead, we are alive
Rise up, children of light
Open the doors, go let it shine

It's a new day
Everything changed
When Your love came into the darkness
You sent the light of the Son
You sent the light of the Son
