

One Thing Remains

Passion

Your love never fails it never gives up
It never runs out on me.
Your love never fails, it never gives up
It never runs out on me
Your love never fails, it never gives up
Your love
Your love.
Never gives up on me.
And its higher than the mountains that I face
and Its stronger than the power of the grave
and constant in the trial and the change
this one thing remains.
Yeah.
Higher
And its higher than the mountains that I face
and Its stronger than the power of the grave
and constant in the trial and the change
this one thing remains.
Your love never fails it never gives up
It never runs out on me.
Your love never fails, it never gives up
It never runs out on me
Your love never fails, it never gives up
Your love.
On and on! Come on!
And on and on and on it comes
Yes, it overwhelms and satisfies my soul
