

The Lord Our God

Passion

Promise maker, promise keeper
You finish what You begin
Our provision through the desert
You see it through 'til the end
You see it through 'til the end

The Lord our God is ever faithful
Never changing through the ages
From this darkness You will lead us
And forever we will say
You're the Lord our God

In the silence, in the waiting
Still we can know You are good
All Your plans are for Your glory
Yes, we can know You are good
Yes, we can know You are good

The Lord our God is ever faithful
Never changing through the ages
From this darkness You will lead us
And forever we will say
You're the Lord our God

We won't move without You
We won't move without You
You're the light of all
And all that we need
We won't move without You
We won't move without You
You're the light of all
And all that we need

We won't move without You
We won't move without You
You're the light of all
And all that we need
We won't move without You
We won't move without You
You're the light of all
And all that we need

The Lord our God is ever faithful
Never changing through the ages
From this darkness You will lead us
And forever we will say
You're the Lord our God

And forever we will say
You're the Lord our God
And forever we will say
You're the Lord our God

The One we love
For He one we trust
We live for you
For love our God
