

Dirty Atlanta

Pastor Troy

Yeah, dirty atlanta, baby!

I see you walk on that... come shake that ass for your boy,
I see you walk on that... come shake that ass for your boy,
I see you walk on that... come shake that ass for your boy,
Come shake that ass on detroit!

I see you walk on that... come shake that ass...

I see you walk on that... come shake that ass...

I see you walk on that... come shake that ass...

...

She's out spending some cash,

She looked me dead on my eye, I tell...

I know she's up on the stage, but this bitch... ready to go,

... I know... you make a bitch wanna fuck,

I love... I love a nigger...

I love the chain on your chest,

I say that bitch is a mess!

Chorus:

Dirty atlanta, oh!

Dirty atlanta, oh!

Dirty atlanta, oh!

Dirty atlanta, oh!

Dirty atlanta, oh!

I see you walk on that... come shake that ass for your boy,
I see you walk on that... come shake that ass for your boy,
I see you walk on that... come shake that ass for your boy,
Come shake that ass on detroit!

I see you walk on that... come shake that ass...

I see you walk on that... come shake that ass...

I see you walk on that... come shake that ass...

I'm in the vip, come take my eyes out of this whore,

... I'm about to throw her some dough!

I don't understand must be the way that she looks,

Might not be nothing to you, but she's a ten in my book!

And maybe you're getting money, so they could hate all they want,

... baby you do what you don't!

... baby I'm ready to go,

She looked from head to toe, and picked... out the flow!

Chorus:

Dirty atlanta, oh!

Dirty atlanta, oh!

Dirty atlanta, oh!

Dirty atlanta, oh!

Dirty atlanta, oh!

I see you walk on that... come shake that ass for your boy,
I see you walk on that... come shake that ass for your boy,
I see you walk on that... come shake that ass for your boy,
Come shake that ass on detroit!

I see you walk on that... come shake that ass...

I see you walk on that... come shake that ass...

I see you walk on that... come shake that ass...

Come on, dirty atlanta!
Come on, dirty atlanta!
Dirty, dirty, dirty!

Chorus:

Dirty atlanta, oh!
Dirty atlanta, oh!
Dirty atlanta, oh!
Dirty atlanta, oh!
Dirty atlanta, oh!
