

# Ridin' Big

Pastor Troy

I'm outside thirty minutes, tryin' to figure out  
Which car match my outfit, come on

The hardest decision I've got to make, yeah  
Which car I'm gon' take when I skate, yeah  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho  
The hardest decision I've got to make, yeah  
Which car I'm gon' take when I skate, yeah  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho

Cadillac, Escalade, candy red, I'm sittin' on blades and uh  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho  
1979 trans am, all them niggas can say is, "Goddamn"  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho

Lexus coupe, Q45, gettin' my dick sucked, while I drive, nigga  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho  
745 on chrome Giovanni's  
Who in the hell is these niggaz callin' country, baby?  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho

The hardest decision I've got to make, yeah  
Which car I'm gon' take when I skate, yeah  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho  
The hardest decision I've got to make, yeah  
Which car I'm gon' take when I skate, yeah  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho

Stop, hit your horn, blink your lights  
Swerve that thang, to the right  
Make sure you got big rims  
The whip up on the clown time to peel

GTO's, Chevy Chevelles  
I'm pushin' mine home to the ATL, yeah  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho  
1996 Impala, Turbo on that bitch, straight holla  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho

The hardest decision I've got to make, yeah  
Which car I'm gon' take when I skate, yeah  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho  
The hardest decision I've got to make, yeah  
Which car I'm gon' take when I skate, yeah  
I'm ridin' big ho, big ho, I'm ridin' big ho, big ho

I envisioned my rims since I was 19  
Pukang white, interior dark green  
Know what I mean, know how it feel  
To come to the crib and muthafuckin' chill  
Like that, in my garage I'm kickin' it hard  
A Charlestown nigga, not Charles in charge, yeah  
To get to where I'm at you got to do what I done did

That's if you wanna ride big, DSGB, we ridin' big  
To my nigga, DJ Clue

All my homies on the southside ridin' big  
All my homies on the westside ridin' big  
All my homies on the eastside ridin' big  
All my homies on the northside ridin' big

Miss PT, I'm comin' hard at ya kid  
'Cause the only way I ride is big
