

When He Comes

Pastor Troy

Come on, come on
It's going to get crazy in the city
ASKin God is he really coming back to get me
Or playing with yeaa
And everything I ever learned as a child
Revelations the whole worlds going wild
Lord come now yeaaa
Got my pistol, got my bottle, got my warface
And if the church is the only place I feel safe
But I got faith and I mean real faith
Not Faith Evans I'm talking bout the faith that places you in heaven
When I see the Lord I'm a bow down and shoot a bird at them devils cause it'
s on
Now
It's on now

When he comes
No where to run
On that day,
The world gonna pay
When he comes

Yea
I can see Jesus in all white riding on a stallion like a night
Ready to fight yea
And I'm gonna to be right beside him
Got my a-k cocked right beside him
Behind him yeaaa
Nothing but thugs on the Lords side
And I was sent to heaven where we reside
Ready to ride ain't no mo nickles and dimes primetime
Captured for my savors blood yea the wine
Believe it now time to come to take over
Better watch ya lanuage son God's Jahovah
And when it all over and I am acknowledge
To show that I did it and did in college I followed
My own, my own soul, the Lion of Judaaa

Heavenly father
I pray right now
For everyone under the
Sound of my voice
That they come to know you
As Lord and Saviour in there lives
Help us Lord
To understand that you are soon
To come for your people
And we won't have time to get ready,
But must already, be ready.
For in the bosom of an eye
You shall appear to recieve Your all
Unto Yourself
Our hearts desire Oh Lord
Is to be ready when You come
Help us Lord to forgive one another
Just as you forgave on Calvirage cross
Help us to love one another

Just as you loved and gave your only son
That we shall not perish but shall have
Everlasting lives
Help us Lord to stand in your righteousness
And to every barrier of racial, and ethnic, and social, and economic
Devision
Help us to see
