Every Time I Fall Back

Pat Benatar

I don't know if it's me or just the sign of the times
But I want a better life than the one I've been livin'
Ain't no one says that you can't change who you are
Ain't no law says you gotta take what you're givin'
I wanna find a place where the nights are warm
And the wind don't blow so cold against my skin
I wanna find some shelter in someone's arms
When I go too far I know that

Every time I fall back
You grab my shoulder to keep me from fallin'
Every time I fall back
Your arms are open, I hear you calling me

I believe that people are the same wherever you go
Everybody's seen their reflection
The face we wear is not our face at all
No – we've lost all direction
Don't wanna dance the dance of the fool no more
Don't wanna give away my soul for nothin'
Don't wanna sell myself door to door
I just wanna know that.

Every time I fall back
You grab my shoulder to keep me from fallin'
Every time I fall back
Your arms are open, I hear you calling me

Ohhh...
Ohhh...
Ohhh...

I don't know if it's me or just the sign of the times
I just wanna know that.
Every time I fall back
You grab my shoulder to keep me from fallin'
Every time I fall back
Your arms are open, I hear you calling me

I hear you calling me.
I hear you calling me.

Ohh...
