(... no need for lyrics on this one, right? ...)

Ooo, you're givin' me the fever tonight I don't wanna give in I'd be playin' with fire You forget, I've seen you work before Take `em straight to the top Leave `em cryin' for more I've seen you burn `em before

R: Fire and ice
You come on like a flame
Then you turn a cold shoulder
Fire and ice
I wanna give you my love
But you'll just take a little piece of my heart

You'll just tear it apart

Movin' in for the kill tonight
You got every advantage when they put out the lights
It's not so pretty when it fades away
Cause it's just an illusion in this passion play
I've seen you burn `em before

R:

So you think you got it all figured out You're an expert in the field, without a doubt But I know your methods inside and out And I won't be takin' in by fire and ice

R:

You come on like a flame
Then you turn a cold shoulder
Fire and ice
I wanna give you my love
But you'll just take a little piece of my heart

You come on like a flame Then you turn a cold shoulder Fire and ice

You come on like a flame Then you turn a cold shoulder Fire and ice
