

I Feel Lucky

Pat Benatar

You gotta go with what you know, absolutely right
Well, I can tell you I feel lucky tonight
I gotta feelin' in my heart, two more for the fight
Hey, I can tell you I feel lucky tonight

Oh, I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Till you win your love for me
I feel lucky
I feel good, yeah
Alright, huh, huh

You better get it while you can
Got to treat it nice
Well, let the good times roll, I feel lucky tonight
Midas in my touch, moonlight up my sleeve
Hey I'm your wild card baby, take a chance with me

Oh, I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Till you win your love for me
I feel lucky
I feel good, yeah
Alright, huh, huh
I Feel Lucky, whoa

Miami, New York, Chicago, St. Louis, Los Angeles,
Austin, New Orleans, Detroit, Cleveland

I'm real deep now, take a look around
It's the only game in town, I feel lucky tonight
I ain't waitin' on love, no
I don't waste no time
Hey, I'm thinking let no black cat across my path

Oh, I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Till you win your love for me
I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Till you win your love for me
I feel lucky, I feel good
Alright
