

I Get Evil

Pat Benatar

There's two kinds of people that I just can't stand
An evil hearted woman and a lyin' man
But don't you lie to me, don't you lie to me
Because it makes me feel like it's as evil as I can be
Told me that you loved me a long time ago
The woman that you had, you don't want her no more
But don't you lie to me, don't you lie to me
Because it makes me feel like it's as evil as a woman can be

You told me that you loved me a long time ago
The woman that you had, you don't want her no more
But don't you lie to me, don't you lie to me
Because it makes me feel like it's as evil as a woman can be

Hey, don't you lie to me
Don't you lie to me
No, No, don't you lie to me
Don't you lie to me
Because it makes me feel like it's as evil as a woman can be
Don't you lie to me
Don't you lie to me baby - No
Don't you lie to me
No - don't you lie to me
