Promises in the Dark

Pat Benatar

Never again, isn't that what you said? You've been through this before An' you swore this time you'd think with your head No one, would ever have you again And if taking was gonna get done You'd decide where and when Just when you think you got it down Your heart securely tied and bound They whisper, promises in the dark

Armed and ready, you fought love battles in the night But too many opponents made you weary of the fight Blinded by passion, you foolishly let someone in All the warnings went off in your head Still you had to give in

Just when you think you got it down Resistance nowhere to be found They whisper, promises in the dark

But promises, you know what they're for It sounds so convincing, but you heard it before Cause talk is cheap and you gotta be sure And so you put up your guard And you try to be hard But your heart says try again

You desperately search for a way to conquer the fear No line of attack has been planned to fight back the tears Where brave and restless dreams are both won and lost On the edge is where it seems it's well worth the cost Just when you think you got it down Your heart in pieces on the ground They whisper, promises in the...
