

Run Between the Raindrops

Pat Benatar

It's always one thing or another, seems like we never get ahead
Reaching out for the brass ring, and landing in the dirt instead

We can't get past yesterday, we're only counting down from ten
It seems like every move we make, brings us back where we began
You've gotta run between the raindrops
If you wanna see the sun
Run, run, run, between the raindrops
Run between the raindrops, if you wanna see the sun
Run, run, run, - run Baby run

Somewhere there's a sun that's shining
Somewhere we'll find a life that's good
Some way I'm gonna make it happen
Just like you always knew I could

We're treading water on a river of tears
And I don't know what to do
I can take a beating, but I ain't gonna let it happen to you, you

You've gotta run between the raindrops
If you wanna see the sun
Run, run, run, between the raindrops
Run between the raindrops, if you wanna see the sun
You gotta run, run, run, - run Baby run

We're treading water on a river of tears
And I don't know what to do

You've gotta run between the raindrops
If you wanna see the sun
Run, run, run, between the raindrops
Run between the raindrops, if you wanna see the sun
Run, run, run, - run Baby run

Run between the raindrops, if you wanna see the sun
You gotta run, run, run, - run Baby run

You gotta run, run, run, - run Baby run
