

## We Live for Love

Pat Benatar

Your love's contagious, one kiss is dangerous  
But I have more to risk, than you to lose  
I feel passion growing  
I know that love is only just one inch away, from striking us  
We Live For Love  
We Live For Love

When we get tired, and watch the summer fade away  
Will you think of romance, what will we do?  
Is there a place where we can go?  
Where time stands still for those who know?  
Till eternity we'll fulfill our desires

We Live For Love  
We Live For Love  
We Live For Love  
We Live For Love

I never planned to win the race  
But you convinced me face to face  
There was never a chance of losing at all

We Live For Love  
We Live For Love  
We Live For Love  
We Live For Love

We Live For Love  
We Live For Love  
We Live For Love
