

## April Love

Pat Boone

April love is for the very young  
Every star's a wishing star that shines for you  
April love is all the seven wonders  
One little kiss can tell you this is true

Sometimes an April day will suddenly bring showers  
Rain to grow the flowers for her first bouquet  
But April love can slip right through your fingers  
So if she's the one, don't let her run away

Sometimes an April day will suddenly bring showers  
Rain to grow the flowers for her first bouquet  
But April love can slip right through your fingers  
So if she's the one, don't let her run away
