

## Enter Sandman

Pat Boone

Say your prayers little one  
Don't forget my son to include everyone  
I tuck you in, warm within, keep you free from sin  
Till the sandman he comes

Sleep with one eye open  
Gripping your pillow tight

Exit light  
Enter night  
Take my hand  
We're off to never, never land

Something's wrong, shut the light  
Heavy thoughts tonight and they aren't of snow white  
Dreams of war, dreams of liars, dreams of dragon's fire  
And the things that will bite

Sleep with one eye open  
Gripping your pillow tight

Exit light  
Enter night  
Grain of sand  
We're off to never, never land

Now I lay me down to sleep  
I pray the Lord my soul to keep  
Guard me Angels through the night  
Wake me in the morning light

Hush little baby, don't say a word  
And never mind that noise you heard  
It's just the beasts under your bed  
In your closet, in your head

Exit light  
Enter night  
Take my hand  
We're off to never, never land

Exit light  
Enter night  
Grain of sand  
We're off to never never land, let's go
