

## For A Penny

Pat Boone

I wanna clap my hands  
I wanna clap my hands  
I wanna clap my hands  
For my good fortune

I wanna clap my feet  
I wanna clap my feet  
I wanna clap my feet  
For my good fortune

Each time I hold you  
I'm really in a spin  
You can see without your love  
Just where I-Imighta been

I'm gonna give a shout  
Stand right up and shout  
I'm gonna give a shout  
Clap my feet, clap my hands  
For my good fortune

Each time I hold you  
I'm really in a spin  
You can see without your love  
Just where I mighta been

I'm gonna give a shout  
Stand right up and shout  
I'm gonna give a shout  
I'm gonna clap my feet  
I'm gonna clap my hands  
For my good fortune

Yeah  
Oh, yeah  
Oh yeah, yeah, yeah
