I wanna clap my hands I wanna clap my hands I wanna clap my hands For my good fortune

I wanna clap my feet I wanna clap my feet I wanna clap my feet For my good fortune

Each time I hold you
I'm really in a spin
You can see without your love
Just where I-Imighta been

I'm gonna give a shout
Stand right up and shout
I'm gonna give a shout
Clap my feet, clap my hands
For my good fortune

Each time I hold you
I'm really in a spin
You can see without your love
Just where I mighta been

I'm gonna give a shout Stand right up and shout I'm gonna give a shout I'm gonna clap my feet I'm gonna clap my hands For my good fortune

Yeah
Oh, yeah
Oh yeah, yeah, yeah
