## **Harbor Lights**

I saw the harbor lights They only told me we were parting The same old harbor lights That once brought you to me

I watched the harbor lights How could I help if tears were starting? Goodbye to tender nights Beside the silvery sea

I long to hold you near And kiss you just once more But you were on the ship And I was on the shore

Now I know lonely nights For all the while my heart is whispering Some other harbor lights May steal your love from me

I long to hold you near And kiss you just once more But you were on the ship And I was on the shore

Now I know lonely nights For all the while my heart is whispering Some other harbor lights May steal your love from me Pat Boone
