## Are You Sure Hank Done It This Way?

**Pat Green** 

It's the same old tune, fiddle and guitar Where do we take it from here Rhinestone suits and new shiny cars We've been the same way for years We need to change

Somebody told me when I got to Nashville
Son you finally got it made
Old Hank made it here, we're all sure that you will
But I don't think Hank done it this way
I don't think Hank done it this way
Ten years down the road, making one night stands
Speeding my young life away

Tell me one more time just so I understand Are you sure Hank done it this way Did Ol' Hank really do it this way? I've seen the world with a five piece band Looking at the back side of me

Singing my songs and one of his now and then But I don't think Hank done 'em this away No I don't think Hank done 'em this away Take it home
