Pat Green

Come down off your throne and leave your body alone, somebody m ust change You are the reason I've been waiting so long, somebody holds th e key Well, I'm near the end and I just ain't got the time And I'm wasted and I can't find my way home

Come down on your own and leave your body alone, somebody must change You are the reason I've been waiting all these years, somebody holds the key Well, I'm near the end and I just ain't got the time And I'm wasted and I can't find my way home
