

# Love Like That

Pat Green

Check out those kids over there in the parking lot  
They're probably drinking a lil' beer and smoking pot  
But I doubt they mean anyone any harm

Yeah that's old man Fredrick's daughter  
Breaking every rule her daddy ever taught her  
With that wild-eyed kid on the hood of that pick-up truck

But who are we to talk?  
Didn't we walk that very same walk?  
Not so many years ago

With a love like that  
We were young and true  
With a love like that  
The fall of '92  
You were my homecoming jacket to the homecoming football game

With a love like that  
We crawled in the back  
With a love like that  
We moved way to fast  
I hope nobody tells them that it ain't gonna last  
'Cause there's a beauty in a love like that

Sure (both) are families yeah they had their doubts  
There was money on whether we would work out  
And to come to think of it we ain't ever been payed

I guess we are just like those kids  
We could have listened but we never did  
Sneaking out of the house just praying  
We wouldn't get caught

Remember those long walks  
When you swore all we were gonna do was talk  
Not so many years ago

With a love like that  
We were young and true  
With a love like that  
The fall of '92  
You were my homecoming jacket to the homecoming football game

With a love like that  
You ain't ever alone  
With a love like that  
We built a home  
With a front porch swing and a couple of kids in the yard

With a love like that  
You never look back  
With a love like that  
I got the courage to ask  
I hope nobody tells them it ain't gonna last  
'Cause there's a beauty in a love like that

A love like that (4x)

'Cause a love like that  
It's built to last  
With a love like that  
You never look back
