## **Sweet Revenge**

Pat Green

Well I ain't looking for an indication Apologies or a consolation Pull them up and burn the roots Kill their horses and steal their boots Yeah sweet revenge

Went to the river some years ago And it didn't do much to save my soul But I found out my saving grace Is a little closed heal in a warm dark place Hey I got sweet revenge

There's no second chance There's no half way The first time you're sorry and the second time you pay You got your prayers when all else fails Yeah sweet revenge

Well my left eye know what my right eye sees There's a line down that appears to me Find the place and hide awhile Let 'em dance in the devil's fire Hey I got sweet revenge

I ain't looking for an indication Apologies or a consolation Hey I got sweet revenge Sweet revenge A sweet revenge
