

# I La La La Love You

Pat Travers

Want to tell you that I love you, baby  
Don't you know that I like it  
From the bottom of my heart  
Uh huh, uh huh, uh huh

I could never find another lover  
Oh, who could love me like you did  
From the very start, right from the heart

I la la la love you, oh

Ooh, you make me want to move on over  
Oh, make a little room for you in my heart  
Uh huh, uh huh, uh huh

Gave me lovin' that was worth the gamble  
Oh, you made me move together  
From the very start  
Right from the heart

I la la la love you  
Right from the start  
I la la la love you (I la la la love you)  
Right from the start (right from the start)  
I la la la love you (I la la la love you)  
Right from the heart (right from the heart)

When I tell you that I love you, baby  
Don't you know that I like it  
From the bottom of my heart  
Right from the start

I la la la love you, oh
