Want to tell you that I love you, baby Don't you know that I like it From the bottom of my heart Uh huh, uh huh, uh huh

I could never find another lover
Oh, who could love me like you did
From the very start, right from the heart

I la la la love you, oh

Ooh, you make me want to move on over Oh, make a little room for you in my heart Uh huh, uh huh, uh huh

Gave me lovin' that was worth the gamble Oh, you made me move together From the very start Right from the heart

I la la love you
Right from the start
I la la la love you (I la la la love you)
Right from the start (right from the start)
I la la la love you (I la la la love you)
Right from the heart (right from the heart)

When I tell you that I love you, baby Don't you know that I like it From the bottom of my heart Right from the start

I la la la love you, oh
