

# Abduction

## Pathology

An exchange for advanced technology  
Abduction experiments not returned  
Grey's treaty exceeded and broken  
To negotiate surrender  
And speak in strange terms  
Harnessing energy & nations in war

Greada Treaty

They came from Orion  
And multiple species exist  
They came from Zeta

Entities Classified Top Secret

Suffering through conflict and confusion  
Strategies uncertainty this  
Draconian penalty fears silence  
Do not engage from deviation

True motivations of the black budget  
Underground bases for the elite  
Black projects do not disclose  
The enigma of our security

Abduction of minds  
And all that bleeds  
We must seek the truth  
To set our energy free
