## Pathology

Let us revolt  
Confusion of tongues  
Have brought the flood of ecstasy  
A figure of speech  
Let us behold  
The gale of judgment

How divine is intervention  
Clouded is the holy rebellion  
Genesis the texts of forgery  
King over all gods  
Marduk  
Clouded is the unholy rebellion  
Genesis the texts of forgery  
King over all

The Tower of Babel curse  
Stand at the gates not to be judged

How divine is intervention  
Let us revolt  
Confusion of tongues  
The culture of Sumer is lost  
Let us revolt  
Confusion of tongues

The Tower of Babel
