

All That Is Thirst

Pati Yang

Sweet
Must be the new road for water, for water
Hands
Can't even hold a thing
The air tastes useless

Oooh, can't get enough of this
All that is thirst
All that is thirst
Oooh, playing new Hide and Seek:
Keep moving still
Keep moving still

Clouds
I've tried to carry
Upon my shoulder
Keep gentle and patient
Befriend the weather

Oooh, can't get enough of this
All that is thirst
All that is thirst
Oooh, playing new Hide and Seek:
Keep moving still
Keep moving still
