

# Don't Blame Me

Patrice Rushen

Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you

Baby you just don't know  
How I like when you are near  
You just don't let me show  
That my feelings are sincere

Thought you don't notice me  
I'm so much in love with you  
Darling you're just too much  
I like the way you do what you do  
Yeaheayeayeyeah

Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you  
Don't you blame me  
For wanting you

Now I'm not tryin to... you  
But learn what you're just all about  
Just as the... get throught  
You turn around then sha... me out

I can't stop loving you  
The truth is that I like your style  
You're always on my mind  
Can't you see you're drivin me wild?  
OUhOUhOUHOUHOUH,

Don't blame me  
For wanting you  
Don't you blame me  
For wanting you

Oh when I look into your eyes  
Can I get you by surprise?  
Won't you blame me?

All I really want is you  
Cause I like the things you do  
Won't you blame me?

I am so in love with you  
Don't pretend because it's true  
Won't you blame me?

I so want you for my baby  
... Going crazy  
Won't you blame me?

Humhmmh
