

Here Again

Patrice

Feet Your Souls With 'balls
I'm Here Again
I'm Here Again
Singing For A Brighter Day
Understand I'm Understanding
How We Ever Went Away
Dreams And Thing
Chains And Rings Yeah
Silver And Gold
From Our Souls

The World's Gotta Know*6
True Warrior Here Again
I Feel So Sorry For ?
And You Feed Your Souls With It
Sounds Like ?
We'll Be Forcing I Don't Mean Again
Everday You Gotta Change Your Ways
Love Has It's Way So Don't Loose Your Way
Make Sure There Is Something Left For Those On The Way
For A Brighter Day
Those On The Way, A Brighter Day I'm Here Again For A Brighter
Day...
Understand..
Dreams And Things
Sliver And Gold
From Our Souls

The World's Gotta Know And Everything She Says Just Rise My Lov

When You Say What You Say..
It Happens All The Time
This Is Paradise Mean The Love Between The Girls And Boys
The Love Between Me And My Friends...
So Real I Cant Pretend
Everday You Gotta Change Your Ways
Love Has It's Way So Don't Loose Your Way
Make Sure There Is Something Left For For A Brighter Day
Those On The Way, A Brighter Day I'm Here Again For A Brighter
Day...
