

Life Hard

Patrice

Life Is Getting Hard In The Ghetto
Life Is Getting Hard In The Concrete Jungle

I Know I Know That Jah Will Never Leave I Alone
I Feel I Feel The Great Spirit Coming Definitely
I See I See That Jah Prophecy Shall Surely Reveal
Join We Join We Join We

A Jagajo They Come To Rock Our Show
They Never Knew This Undercover Flow
Give Us A Blow Want Us To Sit At The Back Row
No No No No No No

Life Is Getting Harder
And Much Hipocrisy Is Going On Here
But I And I Don't Believe Their Rumours
We Fling Fire Upon Their Border
Boy Can't You See You Are What They Want You To Be
Like In The Days Of Slavery I-Man Live In Captivity
Frustration Is So Deep It's A False Truth They Are Teaching
But No More Tears I Will Weep Full Time We Break Free
