

Lil' Paradise

Patrice

Oh This Is Crazy
We're All Just Saving
For Our Own Little Paradise
We're Livin' In Hell Now
Cause Everybody For Themselves Are
Securin' Their Own Little Paradise

I Know
You Know
That There Is Way Enough
For Everyone Of Us
Yes There Is Way Enough
For Everyone Of Us

No If But No Maybe
I'm Upgrading Daily
Want A House, Girl, Some Babies And A Ride

No If But Nor Maybe
I'm Upgrading Daily
Want A House, Girl, Some Babies And A Ride
Will Never Act Shady
As Long As They Pay Me
I'll Be The King Of My Own Paradise

Oh This Is Crazy...

Dancehall Verse
Not Matter What You Have
Not Matter What You Got
You Want More
Physically Rich And Spiritually Poor
Jau The Planet Deh Pon War
Don't Even Know What Dem Ah Fightin' For
Fightin' For
Guess They're Makin' Sure
They're Safe And Secure
Make Others Pay For What's Yours
But We Keep It Raw
Yeah Gotta Keep It Raw
Keep Jah Jah Close To Your Heart
Some Ah Suffer Some Ah Die
So You Can Live Your Life
It's At Their Expense
That You Build Your Paradise
Or Should I Say Paradox
Cause What If The Earth Errupts
And Go So (Njami Njami) Oops
There Goes Your Block
You Gwan Call The Cops
If You Want Call The Cops
Me Say Gwan Call The Cops
Jau Gwan Call The Judge
If You Want Call The Judge
Me Say Gwan Call The Judge
