

## Music

Patrice

When My Feet Were In Shackles  
And My Hands Were In Chains  
You Took My Mind And Made It Settle  
In A Land So Far Away

When I Was Toiling In The Fields (Yeah)  
You Made Me Push On Through  
Yes I'm Head Over Heels,  
Over Heels In Love With You  
Yes I'm Head Over Heels,  
Over Heels In Love With You

When I Was In The Womb  
You Made Me Wanna See This World  
Every Setting Of The Moon  
I Dreamt Of You Being My Girl

Say Ooh I Can't Deny  
Without You I Would Be Dead  
And The Day That I Die  
I Die With You In My Head,  
Yes The Day That I Die  
I Die With You In My Head,  
In My Head In My Head

There's Just No Get Away  
When You're Dancing In My Brain  
When I'm Cruising On Your Waves  
Coulda Never Go Astray (Ooh)  
Repeat Chorus

Everything Is Music  
I Just Put Parts In A Frame  
To Capture This Very Moment  
And Never Let It Go Away  
They Use You And Abuse You  
And Treat You Like A Thing  
Forever I'll Be Faithful  
Have Your Back Untill The End  
Forever I'll Be Faithful  
Have Your Back Untill The End

Me Say Wetin In Deh Talk Deh Talk Talk Talk  
Gunshot It Ah Bark Like Dog Ina Di Dark  
As Babatunde Enter The Dance Di Dancehall  
Babatunde  
Me Say Wetin In Deh Talk Deh Talk Talk Talk  
Gunshot It Ah Bark Like Dog Ina Di Dark  
As Babatunde Enter The Dance Di Dancehall
