

# Walking Alone

Patrice

Hope to trust  
If not you  
In this world  
There's no soul around  
All my love  
Is not enough  
Don't need much  
Just someone who loves me for me

Don't wanna talk  
Don't wanna smile  
Don't wanna fail (or "fail")  
Don't wanna lie  
Don't wanna talk  
Don't wanna smile

I AM WALKING ALONE  
Sometimes I don't even feel like  
Openin' my mailbox  
[No]  
And I don't even feel like  
Answering my phone  
No, I'm walking  
I'm walking  
I'm walking alone  
Walking alone

I shut the world down  
'Cause they don't understand  
If you don't have a code  
You are not a man  
I am wondering  
In a no-man's-land  
Looking for someone who loves me for who I am  
When I am up  
They are around  
But where are they  
When I am down  
When I am up  
They are around  
But where are they now

I AM WALKING ALONE  
Sometimes I don't even feel like  
Opening my mailbox  
[No]  
And I don't even feel like  
Answering my phone  
No, I'm walking  
I'm walking  
I'm walking alone  
Walking alone

Feel like on the top of the mountain screaming  
I just woke up, jet I'm still dreaming  
Into the wild, I looked for meaning  
Solitude, keeps smiling

I AM WALKING ALONE  
Sometimes I don't even feel like  
Opening my mailbox  
And I don't even feel like  
Answering my phone  
No, I'm walking  
I'm walking  
I'm walking alone  
Walking alone

I'm walking alone  
Walking alone  
Walking alone  
Walking alone
